[Milwaukee County evictions fell with stimulus, study shows](#)

Benny Sieu

Jenny Furne, with children Adaliah Hamler, 2 months, and Solomon Furne, 2, was on the brink of homelessness until receiving stimulus money that helped her stay in her home.

Harvard researcher finds average drop of 15% in six months, with stimulus the likely cause

By [Georgia Pabst](#) of the Journal Sentinel

Aug. 30, 2010 | [\(65\) Comments](#)

The arrival of federal stimulus money aimed at preventing homelessness coincided with 836 fewer evictions filed in Milwaukee County from August 2009 to March 2010, compared with the same months the previous year, a new study showed. [»Read Full Article](#)
