

You are cordially invited to participate in a free Wisconsin Health Insurance Risk-Sharing Program (HIRSP) training. This training is tailored to community health and social service professionals and will cover HIRSP's eligibility requirements, benefits, enrollment procedures and the new low-income subsidy program. The training is open to the public and is sponsored by the Milwaukee Health Care Partnership. Please contact Tracy Wymelenberg with questions about the event at (414) 647-3126.
