Milwaukee Addiction Treatment Initiative

WANTED: Your Recovery Story!

Help Us Make Treatment Available to All Who Need It

The Milwaukee Addiction Treatment Initiative (MATI) is working to increase the availability of effective treatment services and recovery support for people with drug and alcohol addiction. We are collecting stories of recovery from people across Wisconsin and would like to learn about your journey, specifically:

- **How today's addiction treatment system worked or didn't work for you**
- **Your experience as a family member or friend getting help for a loved one**
- **The barriers to getting treatment that you overcame**
- **What long-term recovery means to you and your family**

We
Want to
Hear Your
Story!

Your story will help us make a case to decision-makers for full funding of addiction treatment and that addiction be treated like any other chronic, relapse-prone disease. We will not use your story without your permission and all interviews will be confidential.

If you are interested in telling your story or would like more information, contact **Jason Brame, MATI communications coordinator**, at (414) 475-6253, ext. 303 or email jasonb@communityadvocates.net.
